Summary

Gutter Installer with 3 years forming and hanging seamless gutters on homes and small commercial buildings around Indianapolis. Runs the gutter machine on site, installs downspouts and gutter guards, and handles fascia repair. Holds a valid Indiana driver license and ladder safety training, and walks every homeowner through the finished job.

Experience

Gutter Installer

Circle City Seamless Gutters — Indianapolis, IN — 04/2024 - Present

Seamless gutter and gutter guard installer running 6 trucks in central Indiana.

- Install seamless gutters and downspouts on **4** homes a day, hanging about 2,600 linear feet a month.
- Operate the gutter machine off the truck, cutting runs to length and forming 3 to 5 miters per house.
- Replace rotted fascia boards and drip edge on about 1 in 5 jobs before new gutters go up.
- Complete micro-mesh gutter guard installs on 150 homes, with customer service that earned 90 five-star reviews.

Gutter Installer Helper

Hoosier Exterior Pros — Carmel, IN — 03/2023 - 03/2024

Roofing, siding and gutter contractor serving Hamilton County.

- Handled measuring and layout of runs, pitch and downspout locations on 300 houses for the lead installer.
- Removed old gutters and sorted aluminum and copper scrap, returning $1,800 in recycling credit.
- Secured hidden hangers every 24 inches and sealed end caps and seams with attention to detail.
- Rigged ladders with standoffs and followed ladder safety rules with zero incidents in 12 months.

Landscape Crew Member

Green Acres Lawn & Landscape — Fishers, IN — 05/2021 - 02/2023

Residential lawn care and hardscape company with 5 crews.

- Maintained 35 residential properties a week as part of a 3-person crew.
- Built paver patios and French drains on 12 hardscape jobs using hand and power tools.
- Drove the crew truck and 16-foot trailer for 2 seasons with a clean driving record.
