Julian Weber

Head of IT

San Francisco, CA (415) 555-0162 julian.weber@email.com linkedin.com/in/julianweber

SUMMARY

Head of IT with 11 years in IT and 7 years leading teams at venture-backed software companies. Built IT, security and compliance for a 900-person company in 4 countries, including Okta, Google Workspace, Jamf, a SOC 2 Type II report and a $5M budget. Explains budgets and vendor choices to the CFO and CTO with clear communication.

EXPERIENCE

Head of IT

03/2022 - Present

Embarcadero Analytics

San Francisco, CA

Data analytics software company with offices in 4 countries.

- Grow the IT team from 1 to **9** people as headcount rose from 250 to 900 across 4 countries.
- Run identity and access on Okta for 140 SaaS apps with automated provisioning, cutting onboarding to under 1 hour.
- Own IT controls for SOC 2 Type II and ISO 27001, passing 3 annual audits with no exceptions.
- Manage a $5M budget and 60 SaaS vendors, removing $780K a year in duplicate tools.

IT Manager

04/2018 - 02/2022

Mission Bay Health Tech

San Francisco, CA

Digital health company with 300 staff.

- Led a 3-person IT team supporting 300 staff on Google Workspace and macOS.
- Deployed Jamf endpoint management for 450 Macs, with zero-touch setup for remote hires.
- Moved staff to a zero trust access model, retiring the VPN for 300 users.

Systems Engineer

07/2015 - 03/2018

Golden Gate Media Group

Oakland, CA

Digital publisher with 5 brands.

- Administered AWS accounts, Linux servers and backups for 5 publishing brands.
- Automated laptop setup with shell scripts, saving 5 hours per new hire.
- Handled renewals for 30 tools worth $600K a year with the finance team.
