- **Asphalt Patching**
- **Guardrail Repair**
- **Traffic Control**
- **Roadside Mowing**
- **Loaders**
- **Dump Truck**
- **Backhoe**
- **Teamwork**

EXPERIENCE

Highway Maintenance Worker

11/2023 - Present

Raccoon River Highway District

Adel, IA

Maintenance crew member on a 210-lane-mile section of state highway.

- Operate a plow truck with brine and salt spreaders on **42** lane miles per storm, through 30 winter events a season.
- Repair potholes and cracks with hot mix and cold patch, filling about 600 potholes each spring.
- Set up traffic control with cones, arrow boards and flaggers for lane closures, with zero work-zone incidents.
- Replace guardrail and signs damaged in crashes, restoring 1,200 feet of guardrail last year.

Equipment Operator

04/2021 - 10/2023

Boone Valley Excavating & Snow

Boone, IA

Operator for a site-work contractor holding a municipal snow contract.

- Ran loaders and plow trucks on city snow routes, clearing 18 miles of streets per storm.
- Mowed 300 acres of roadside and ditches each summer with a tractor and batwing mower.
- Cleared 40 blocked culverts with a jet truck and backhoe, reducing spring flooding calls.
- Hauled gravel and rock for shoulder repairs in a tandem dump truck, about 15 loads a day.
