SUMMARY

Licensed massage therapist with 4 years of practice, the last 3 in hospice and palliative care, after 3 years as a nursing assistant. Gives gentle bedside massage therapy in homes, nursing facilities and an inpatient unit, about 22 visits a week. Able to work independently on the road and report changes to the hospice nurse.

EXPERIENCE

Hospice Massage Therapist

09/2023 - Present

Four Lakes Hospice Care — Madison, WI

Nonprofit hospice serving about 180 patients across 4 counties.

- Deliver **22** bedside massage therapy visits a week in homes, nursing facilities and the inpatient unit.
- Adapt pressure, position and session length for edema, fragile skin and pain, using gentle hand and foot massage.
- Chart every visit in the hospice EMR within 24 hours and report pain or skin changes to the nurse.
- Present updates on 40+ patients at weekly interdisciplinary care team meetings with nurses and chaplains.

Licensed Massage Therapist

08/2022 - 08/2023

Capitol Square Massage Studio — Madison, WI

Massage studio with 8 therapists.

- Performed 25 Swedish and deep tissue sessions a week for studio clients.
- Completed a 24-hour oncology massage course and took on 15 clients in cancer treatment.
- Built a regular client list of 50 with a 70% rebooking rate in the first year.
- Taught 12 clients simple self-care stretches to use between sessions.

Certified Nursing Assistant

06/2019 - 07/2022

Maple Bluff Senior Living — Madison, WI

Assisted living and memory care community with 90 residents.

- Cared for 10-12 residents per shift with bathing, transfers, meals and skin checks.
- Recorded vital signs and reported changes in condition to the charge nurse.
- Supported 20+ residents and their families through end-of-life care with hospice partners.
