EXPERIENCE

Hydrovac Operator

04/2024 - Present

Mile High Hydro Excavation

Denver, CO

Hydro excavation contractor serving gas, telecom and pipeline customers.

- Operate a 12-yard hydrovac truck on daylighting, potholing and slot trenching for gas and fiber crews.
- Complete **20 to 30** potholes a week, confirming the depth and size of gas, water and fiber lines.
- Perform pre-trip inspections and daily checks on the boom, blower, water pump and heater, keeping 98% uptime.
- Document each locate with photos and depth readings in the customer's app, cutting re-dig requests by half.

Hydrovac Swamper

05/2022 - 03/2024

Front Range Vacuum Services

Commerce City, CO

Crew member on hydro excavation and vacuum service trucks.

- Handled the dig tube and water wand as swamper on 400+ hydrovac jobs.
- Hauled spoils to approved disposal sites and logged loads for 2 trucks.
- Repaired hoses, nozzles and valves on site, putting mechanical aptitude to work between jobs.
- Flagged traffic and set cones on 50+ street jobs a year.
