David Cho

INTERNAL MEDICINE PHYSICIAN

Boston, MA (617) 555-0139 david.cho@email.com linkedin.com/in/davidchomd

SUMMARY

Board-certified internal medicine physician with 5 years of outpatient practice caring for complex adults with diabetes, heart failure and chronic kidney disease. Combines chronic disease management and disease prevention for a panel of 1,600, documents in Epic EMR, and works with care managers and pharmacists in team-based care.

SKILLS

Chronic Disease Management • Disease Prevention • Hypertension • Diabetes • Heart Failure
Chronic Kidney Disease • Annual Wellness Visits • Evidence-Based Medicine • Epic EMR • Team-Based Care

EXPERIENCE

Internal Medicine Physician 08/2021 - Present

Back Bay Internal Medicine Associates Boston, MA

Hospital-affiliated adult primary care practice with 14 physicians.

- Manage a panel of **1,600** adults, 40% over age 65, seeing 18 to 20 patients a day.
- Lowered uncontrolled hypertension in the panel from 31% to 19% with home blood pressure monitoring.
- Run a heart failure transitions clinic that cut 30-day readmissions for panel patients by 22%.
- Complete annual wellness visits for 85% of Medicare patients, with risk scores documented in Epic.

Internal Medicine Resident 07/2018 - 06/2021

Charles River University Hospital Boston, MA

Categorical internal medicine residency at a 750-bed teaching hospital.

- Managed up to 16 inpatients on general medicine teams and 12 on cardiology and ICU rotations.
- Followed a continuity panel of 120 patients in the resident primary care clinic for 3 years.
- Published 1 study on SGLT2 inhibitor prescribing gaps and presented 2 posters at regional meetings.
- Taught evidence-based medicine sessions to 20 third-year medical students each rotation block.
