> EXPERIENCE

Landscape Crew Leader

03/2023 - Present

Front Range Grounds Co.

Englewood, CO

Crew leader for a commercial maintenance contractor with 22 crews.

- Lead a 4-person crew across 28 commercial accounts worth **\$650K** a year, finishing routes on time 95% of weeks.
- Plan daily crew scheduling around weather, irrigation start-ups and client requests in the company's field app.
- Train new crew members on mower safety, pruning cuts and herbicide application, onboarding 9 hires since 2023.
- Review each property monthly with managers on walk-throughs and close quality inspection punch lists within 5 days.

Landscape Technician

04/2019 - 02/2023

Mile High Lawn & Snow

Denver, CO

Technician on commercial maintenance and overnight snow crews.

- Repaired irrigation zones and controllers on 40 HOA properties during the April to October season.
- Plowed and shoveled 15 commercial lots on overnight snow removal shifts each winter.
- Pruned ornamental trees and shrubs under 12 feet on 3 retail centers twice a year.
- Performed equipment maintenance on 10 mowers and 2 plow trucks, logging service hours weekly.
