

Ricardo Montoya

LANDSCAPE FOREMAN

📍 Plano, TX 📞 (972) 555-0181 ✉️ ricardo.montoya@email.com 🌐 linkedin.com/in/ricardomontoya

SUMMARY

Landscape foreman with 10 years in landscape construction, including 5 years running install crews of 4-8 on commercial and high-end residential projects in North Texas. Reads plans, sets grading and drainage, and builds hardscape, irrigation and planting packages on schedule. Holds a Texas Licensed Irrigator license and OSHA 30 training.

SKILLS

Other Skills: Landscape Construction, Landscaping, Grading, Drainage, Hardscape Installation, Irrigation Systems, Plan Reading, Skid Steer, Crew Leadership, Attention to Detail

EXPERIENCE

Landscape Foreman 03/2021 - Present
Lone Star Outdoor Builders Plano, TX

Install foreman for a design-build contractor completing \$9M a year in projects.

- Lead crews of 4-8 on 25+ landscape construction projects a year, each worth \$40K to \$600K.
- Set rough and finish grading with a laser level and skid steer, passing every drainage inspection on 3 retail centers.
- Build patios, retaining walls and paver drives, finishing **92%** of jobs within budgeted labor hours.
- Review plans with the project manager, order materials and run daily safety talks, with zero lost-time injuries since 2021.

Landscape Crew Leader 04/2018 - 02/2021
Trinity Ridge Landscape Co. Dallas, TX

Crew leader for a residential builder's landscape contractor.

- Ran a 4-person install crew on irrigation, sod and planting for 40 new homes a year.
- Installed irrigation systems on 60+ residential lots and checked coverage before builder handoff.
- Trained 10 new laborers on equipment, plant handling and jobsite safety.

Landscape Laborer 05/2016 - 03/2018
Prairie Creek Landscaping Garland, TX

Laborer on residential landscape installation crews.

- Excavated footings, set steel edging and laid sod on 80+ residential installs.
- Operated mini excavators and trenchers on irrigation and French drain work.
- Unloaded and staged pallets of stone and wall block, moving pieces up to 80 lbs by hand.
