Darnell Price

Laundry Attendant

Milwaukee, WI (414) 555-0172 darnell.price@email.com linkedin.com/in/darnellprice

SUMMARY

Laundry Attendant with 18 months in a hospital linen department that processes 6,000 pounds a day. Runs commercial washing machines and dryers, sorts soiled linen under infection control rules and treats stains before rewash. Knows the emergency procedures for chemical spills and dryer fires, and brings strong time management to tight cart delivery windows.

- **Linen Sorting**
- **Stain Treatment**
- **Chemical Dispensing System**
- **Infection Control**
- **Emergency Procedures**
- **Linen Folding**
- **Time Management**
- **Attention to Detail**

EXPERIENCE

Laundry Attendant

04/2025 - Present

Lakeshore Regional Medical Center

Milwaukee, WI

Full-time role in the linen services department of a 380-bed hospital.

- Operate 4 commercial washing machines and dryers, processing about **1,500** pounds of linen per shift.
- Handle linen sorting in full PPE under infection control rules, with zero needlestick injuries this year.
- Supply 22 unit carts with folded gowns, sheets and towels to par before the 6 a.m. delivery cutoff.
- Reduce linen discarded as rags from 5% to 3% through stain treatment with the chemical dispensing system.
- Record machine faults in the maintenance log and walk new hires through 3 emergency procedures.

Dishwasher

03/2024 - 03/2025

Third Ward Kitchen & Bar

Milwaukee, WI

Part-time evening job in a 120-seat restaurant.

- Operated the commercial dish machine for 400+ covers a night, checking water temperature and sanitizer levels hourly.
- Organized the dish pit and dry storage so cooks found pans in seconds, earning a **$1.50** raise in 6 months.
- Handled kitchen chemicals with labeled bottles and SDS sheets, with no injuries reported during the year.
