Summary

Highly experienced Lead Data Engineer with a strong background in designing, developing, and deploying scalable data pipelines on AWS, leveraging expertise in data warehousing, ETL, and data analytics to drive business growth and inform data-driven decision-making.

Experience

Lead Data Engineer Jan 2020 - Present
ABC Corporation New York, USA

Leading a team of data engineers in designing and implementing data pipelines on AWS, resulting in a 30% increase in data processing efficiency and a 25% reduction in costs.

- Designed and implemented data warehouses using AWS Redshift, resulting in a 40% increase in data storage capacity and a 20% improvement in query performance.
- Developed and deployed ETL pipelines using AWS Glue, resulting in a 50% reduction in data processing time and a 15% increase in data quality.
- Collaborated with cross-functional teams to develop and implement data analytics solutions, resulting in a 20% increase in sales and a 15% improvement in customer satisfaction.

Senior Data Engineer Jun 2018 - Dec 2019
DEF Company San Francisco, USA

Designed and developed data pipelines on AWS, resulting in a 25% increase in data processing efficiency and a 10% reduction in costs.

- Designed and implemented data lakes using AWS S3, resulting in a 30% increase in data storage capacity and a 10% improvement in data retrieval time.
- Developed and deployed machine learning models using AWS SageMaker, resulting in a 20% increase in predictive accuracy and a 15% improvement in business outcomes.
- Collaborated with data scientists to develop and implement data visualization solutions, resulting in a 25% increase in insights and a 10% improvement in decision-making.

Education

Master of Science 2015 - 2017
Stanford University Stanford, USA
Computer Science 3.8/4.0

Certificates

AWS Certified Data Engineer 2020
AWS
Certified data engineer with expertise in designing and implementing data pipelines on AWS.

Skills

AWS
Data Warehousing
ETL
Data Analytics
Machine Learning
Data Visualization
Leadership
Communication

Languages

English	Native
Spanish	Fluent

Awards

Best Data Engineer 2020
ABC Corporation
Awarded best data engineer for outstanding contributions to the field of data engineering.
