Cody Brennan

Lead HVAC Installer

Lead HVAC Installer with 9 years of residential HVAC installation, the last 4 leading a 3-person crew on change-outs and new homes around Nashville. Plans each job from Manual J load calculations, fabricates ductwork, installs heat pumps and furnaces, and trains helpers to a standard that keeps callbacks under 2%.

Experience

Lead HVAC Installer

03/2022 - Present

Music City Heating & Air

Nashville, TN

Lead an install crew for a 90-employee residential HVAC contractor.

- Led a 3-person crew through **260+** full system installs, finishing 90% of change-outs in a single day.
- Planned equipment and duct changes from Manual J load calculations on 40 homes with long-standing comfort complaints.
- Fabricated and sealed ductwork, plenums and returns, passing 97% of city mechanical inspections on the first visit.
- Trained 6 helpers on brazing, vacuum and startup procedures, and 2 of them now run install crews of their own.

HVAC Installer

05/2019 - 02/2022

Cumberland Air Systems

Franklin, TN

Installed residential systems for new construction and replacement customers.

- Installed 400+ HVAC systems, including heat pumps, gas furnaces and air handlers, in new and replacement homes.
- Brazed line sets and ran condensate and low-voltage wiring to manufacturer specs on every install.
- Rigged and set heavy equipment, including 5-ton condensers, with a 2-person crew and no injuries in 3 years.

HVAC Helper

06/2017 - 04/2019

Harpeth Valley Mechanical

Nashville, TN

Supported two residential install crews.

- Hung duct and carried equipment for 2 install crews on 5 jobs a week.
- Cut sheet metal and fittings with hand and power tools to the lead's layout.
- Loaded trucks each morning, with no missing parts on 90% of jobs.
