> EXPERIENCE

Lead Plumber 06/2022 - Present
Peachtree Plumbing & Drain Atlanta, GA
Plumbing contractor with 50 employees serving homebuilders, property managers and homeowners.

- Lead a crew of **6** plumbers and apprentices across 3 to 4 active new-construction and service jobs a day.
- Plan daily routes and material pulls with dispatch, cutting crew overtime hours by 18% in the first year.
- Review crew work before every city inspection, raising first-time pass rates from 86% to 97%.
- Train 4 apprentices a year on gas piping, water heater installs, code requirements and safe trenching.

Journeyman Plumber 03/2019 - 05/2022
Metro Atlanta Plumbing Marietta, GA
Residential service and repipe company with 20 service trucks.

- Completed **2,500** service calls, from slab leak repairs and gas line tests to whole-house repipes.
- Estimated and sold 60 repipe and sewer replacement jobs averaging $7,800 each, with a written scope for each.
- Diagnosed tankless water heater faults for the company, becoming the go-to tech for 12 plumbers.
- Read blueprints and mapped rough-ins for 40 custom homes for 2 local builders with no failed rough inspections.

Apprentice Plumber 05/2017 - 02/2019
Chattahoochee Plumbing Atlanta, GA
New-construction plumbing contractor.

- Installed PEX and PVC rough-ins in **150** townhomes for 2 production builders.
- Set fixtures and water heaters during trim-out on 8 subdivisions.
- Passed the Georgia journeyman exam on the first attempt after 2 years.
