EXPERIENCE

Licensed Practical Nurse (LPN)

03/2023 - Present

Riverbend Skilled Nursing & Rehabilitation

Pittsburgh, PA

- Administer scheduled and PRN medications to **24 residents** per shift with zero errors found in 2025 pharmacy audits.
- Perform wound care on pressure injuries and surgical sites, closing 18 stage 2 wounds in 2025 under RN oversight.
- Monitor vital signs and changes in condition, escalating concerns to the RN and physician within 15 minutes.
- Chart assessments, treatments and care plan updates in PointClickCare using basic computer skills, passing all 4 quarterly documentation audits.

Licensed Practical Nurse

08/2021 - 02/2023

Maple Crest Assisted Living

McKeesport, PA

- Completed medication passes for **40 residents** on eMAR, with attention to detail that caught 6 transcription errors before dosing.
- Supervised 3 CNAs per shift on ADLs, turning schedules and fall precautions.
- Taught insulin use and glucose checks to 12 diabetic residents and their families.
- Reported condition changes to the care team using SBAR, with customer service that lifted family survey scores to 4.7 of 5.
