Experience

Loss Control Consultant

Heartland Commercial Insurance • Kansas City, MO

01/2023 - Present

Regional carrier insuring 9,000 businesses across 8 Midwest states.

- Conduct **240** loss control surveys a year at plants, job sites and warehouses for new and renewal accounts.
- Write survey reports with hazard analysis, photos and ratings within 5 days so underwriters can accept, modify or decline.
- Develop recommendation plans with 60 high-loss clients, cutting their recordable injury rate an average of 28% in a year.
- Deliver 50 safety training sessions a year on forklifts, fall protection and fleet safety, using strong presentation skills.

Safety Coordinator

Prairie Steel Fabricators • Olathe, KS • 05/2021 - 12/2022

Structural steel fabrication plant with 160 employees on 2 shifts.

- Ran weekly safety walks across a 180,000 sq ft plant against OSHA standards, closing 95% of findings within 14 days.
- Investigated 40 incidents and near misses with root cause analysis, leading to 12 machine guarding fixes.
- Managed OSHA 300 logs and workers' compensation claims, lowering the experience modifier from 1.12 to 0.94.
- Wrote 9 written safety programs, including lockout/tagout, hot work and confined space entry.
