STRENGTHS

Medication Security
Zero diversion incidents across 7-year career in corrections

Crisis Response
15+ emergency responses monthly with consistent BLS competency

Unbiased Patient Care
Delivers equitable, compassionate care in restrictive environments

SUMMARY

Resilient and clinically sharp Correctional Nurse LPN with 7 years of experience delivering healthcare services in high-security detention and correctional facilities. Expert in sick-call triage, chronic disease management, mental health medication administration, and crisis response. Skilled at maintaining professional boundaries and delivering compassionate, unbiased care in challenging environments.

EXPERIENCE

LPN - Correctional Nurse Apr 2019 - Present
Centurion Health - Duval County Jail Jacksonville, FL

- Conducted daily sick-call triage for 80-120 incarcerated patients, assessing and prioritizing care needs for acute and chronic conditions
- Administered medications including controlled substances, psychotropics, and antiretrovirals to 200+ patients per shift using strict protocol verification
- Managed chronic disease caseloads (hypertension, diabetes, hepatitis C, HIV, mental illness) with individualized treatment plan coordination
- Responded to 15+ medical emergencies per month including seizures, chest pain, and overdoses, maintaining BLS-certified emergency competency
- Maintained zero medication diversion incidents over 7 years through strict chain-of-custody documentation and witness co-signing protocols

Licensed Practical Nurse Sep 2016 - Mar 2019
UF Health Jacksonville Jacksonville, FL

- Provided acute nursing care for 18-20 medical-surgical patients per shift, administering IV medications, wound care, and post-operative monitoring
- Maintained 99.3% medication accuracy and received Excellence in Patient Care recognition for 2 consecutive years
