SUMMARY

Compassionate and proactive School Nurse LPN with 5 years of experience providing health services to K-12 students in diverse public school settings. Skilled in first aid response, chronic condition management, immunization compliance tracking, and health education. Reduced nurse office return visits by 24% by implementing targeted preventive health programs and accurate health record maintenance.

EXPERIENCE

LPN - School Nurse Aug 2020 - Present
Denver Public Schools - East High School Denver, CO

- Provided daily health assessments, first aid, and medication administration for a school population of 1,800 students across K-12 grades
- Managed chronic condition action plans for 85 students with asthma, diabetes, epilepsy, and severe allergies, coordinating with families and physicians
- Maintained 100% immunization compliance across the student body by tracking vaccination records and following up with 200+ non-compliant families
- Reduced repeated nurse office visits by 24% by introducing a structured return-to-learn protocol and targeted health education workshops
- Administered emergency epinephrine and AED twice, contributing to two successful emergency responses with zero adverse outcomes

Licensed Practical Nurse Jun 2018 - Jul 2020
SCL Health - Saint Joseph Hospital Denver, CO

- Provided medical-surgical nursing care for 18-22 patients per shift, administering medications and performing wound care and IV management
- Collaborated with charge RNs to prioritize patient assignments and ensure timely care delivery
- Maintained zero medication errors across 6 consecutive performance review periods
