Experience

Lube Technician

Route 66 Quick Lube • Tulsa, OK • 09/2025 - Present

Drive-through oil change center with 3 bays.

- Complete **20+** oil changes a shift on cars and light trucks, matching each vehicle's oil spec and drain plug torque.
- Perform tire rotations, battery testing and air and cabin filter changes on 10 vehicles a day with power tools.
- Record multi-point inspections on a tablet with basic computer skills, adding \$400 a day in approved services.
- Maintain a 12-minute average service time through time management between the upper and lower bays.

Warehouse Associate

Green Country Distribution • Tulsa, OK • 06/2024 - 08/2025

Part-time role at a regional parts and supply warehouse.

- Staged 150+ orders a shift with 99% pick accuracy.
- Operated a forklift and pallet jack with zero safety incidents in 14 months.
- Trained 3 seasonal workers on scanner use and safe lifting.
