Experience

Mason Tender 09/2025 - Present

Lakefront Masonry Cleveland, OH

Commercial masonry contractor with 7 brick and block crews on schools, hospitals and apartments.

- Handle mortar mixing for **6** masons, batching 40 to 50 bags a day to the specified mix.
- Deliver brick, block and grout to the scaffold by rough-terrain forklift on 3 school projects with 2 other tenders.
- Build and plank frame scaffolding up to 30 feet, with daily checks before the crew climbs.
- Operate a masonry saw to cut 200 block and brick a day, following job site safety and silica safety rules.

Warehouse Associate 06/2024 - 08/2025

Cuyahoga Building Supply Parma, OH

Masonry and landscape supply yard serving 300 contractor accounts.

- Loaded 30 contractor trucks a day with brick, block, mortar and pavers.
- Operated a forklift for material handling across a 5-acre yard with no damage claims.
- Picked will-call orders at 99% accuracy and tracked pallet returns.
- Trained 2 new hires on forklift safety, pallet stacking and hand and power tools for banding.
