Patrick O'Rourke

Mason

Boston, MA (617) 555-0189 patrick.orourke@email.com linkedin.com/in/patrickorourke

SUMMARY

Mason with 5 years of brick, block and stone work on commercial buildings, schools and triple-deckers around Boston. Lays brick and CMU to line and plumb, handles tuckpointing and repointing on older facades, and reads blueprints for openings, flashing and control joints. Holds an OSHA 10 card, scaffold training and a valid Massachusetts driver license.

EDUCATION

High School Diploma 06/2019
Madison Park Technical Vocational High School Boston, MA
Masonry

EXPERIENCE

Mason 03/2022 - Present
Harborside Masonry Boston, MA
Masonry contractor for new construction and restoration with 60 field employees.

- Perform bricklaying of up to **500** face brick a day on school and lab facades, holding joints within 1/8 inch.
- Build 8- and 12-inch CMU walls for 6 commercial projects, grouting and reinforcing cells to the drawings.
- Complete tuckpointing and repointing on 14 pre-1920 brick buildings using lime mortar matched to the original.
- Install through-wall flashing, weeps and ties with attention to detail, with no leaks reported at turnover.

Mason Apprentice 06/2020 - 02/2022
Neponset Brick & Stone Quincy, MA
Residential and light commercial masonry contractor serving the South Shore.

- Set stone veneer and cap stones on 30 residential chimneys, walls and fireplaces.
- Rebuilt 22 brick chimneys from the roofline up, including new crowns and flashing.
- Mixed mortar to spec and cut brick and block with a masonry saw for 3 masons.
- Erected and moved frame scaffolding up to 40 feet under a competent person.

Construction Laborer 06/2019 - 05/2020
Bay State Builders Dorchester, MA
General contractor for multifamily renovations.

- Demolished plaster and masonry on 8 triple-decker gut renovations.
- Loaded and carried brick, block and mortar for the masonry subcontractor.
- Operated a skid steer and dumpster hoist to clear 300 tons of debris.
