Rosa Villanueva

MEDICATION AIDE

San Antonio, TX (210) 555-0164 rosa.villanueva@email.com linkedin.com/in/rosavillanueva

SUMMARY

Texas-permitted Medication Aide with 2 years in long-term care, passing oral and topical medications to 30 residents per round. Careful with medication administration, controlled substance counts and eMAR records, and trained in infection control practices, safety protocols and dementia care from earlier work as a nurse aide.

SKILLS

Other Skills: Medication Administration, eMAR, Controlled Substance Counts, Infection Control Practices, Safety Protocols, Vital Signs, Blood Glucose, Dementia Care, Attention to Detail, Time Management

EXPERIENCE

Medication Aide

02/2025 - Present

Mission Oaks Nursing and Rehabilitation — San Antonio, TX

- Administer oral, topical, eye and inhaled medications to **30 residents** per round under the charge nurse.
- Document every dose and refusal in the eMAR, with no missed doses in 3 straight monthly pharmacy reviews.
- Verify controlled substance counts with the oncoming aide at each shift change, with zero discrepancies in 2025.
- Check blood glucose and vital signs before hold-parameter drugs, reporting 9 out-of-range readings to the nurse.

Certified Nurse Aide

06/2024 - 01/2025

Brookhollow Care Center — San Antonio, TX

- Provided bathing, dressing and feeding care for 14 residents, most of them needing dementia care or help with mobility.
- Followed infection control practices during a norovirus outbreak, helping the unit clear isolation in 9 days.
- Applied safety protocols for bed alarms, gait belts and 2-person transfers, adding to a 25% drop in hall falls.
- Organized shower and weight schedules with time management that kept all 14 residents on plan each week.
