

Priya Raman

Medication Technician

Indianapolis, IN (317) 555-0196 priya.raman@email.com linkedin.com/in/priyaraman

SUMMARY Medication Technician with 6 years in senior living and memory care, now running medication passes for 2 neighborhoods of 24 residents each. Strong in medication management, the eMAR system and safe transfer techniques, with time management that handles multiple priorities on busy evening shifts.

EDUCATION **High School Diploma** 05/2020
Warren Central High School Indianapolis, IN
General Studies

EXPERIENCE **Medication Technician** 08/2022 - Present
Cardinal Ridge Assisted Living Carmel, IN

- Manage medication passes for **48 residents** in 2 neighborhoods, finishing each round within the 1-hour window.
- Record every dose, refusal and PRN follow-up in the eMAR system, with no late entries flagged in 2025 audits.
- Complete medication reconciliation on new admissions and hospital returns, finding 11 order errors before the first dose.
- Respond to falls and sudden changes with first aid and calls to the nurse, writing 15 incident reports in 2025.

Resident Care Aide 02/2021 - 07/2022
Meadowlark Memory Care Indianapolis, IN

- Assisted 16 memory care residents with dressing, toileting and meals, using calm redirection during sundowning.
- Applied safe transfer techniques with gait belts and stand-assist lifts, with no transfer injuries in 18 months.
- Logged behaviors and meal intake on each shift, giving the nurse 3 weeks of data for care plan reviews.
- Resolved daily scheduling clashes with problem-solving that kept 4 shower days on track during short staffing.

Dining Server 06/2020 - 01/2021
Willow Bend Senior Apartments Indianapolis, IN

- Served 3 meals a day to 70 senior residents, following each diet card for diabetic and low-sodium orders.
- Noticed and reported 2 residents who skipped meals for several days, prompting nurse wellness checks.
- Handled table assignments and meal counts for the dining room, cutting food waste by about 15%.
