Brianna Choi

Registered Nurse

brianna.choi@email.com (612) 555-0121 Minneapolis, MN linkedin.com/in/briannachoi-rn

Summary

Newly licensed registered nurse with a BSN, 720 clinical hours and 3 years as a nursing assistant in long-term and acute care. Uses the nursing process and sound clinical judgment to plan care, with safe medication administration and clear communication with patients, families and the care team.

Experience

Nursing Assistant (Part-Time)

09/2023 - Present

Minnehaha Creek Care Center — Minneapolis, MN

Evening shifts in a 90-bed skilled nursing facility.

- Provide daily care for up to **14** residents per shift, including bathing, feeding and safe transfers.
- Report changes in vital signs, skin and intake to the charge nurse, flagging 6 residents for early review.
- Train 8 new nursing assistants on lift use and fall precautions, with no transfer injuries on the unit in 2025.

Student Nurse (Clinical Rotations)

01/2024 - 05/2026

North Loop Health — Minneapolis, MN

720 hours across med-surg, ICU, obstetrics and behavioral health, ending in a 160-hour preceptorship.

- Carried a 4-patient med-surg assignment in a **160-hour** preceptorship, charting each patient assessment in Epic.
- Completed medication administration and IV therapy with barcode scanning across 6 rotations without an error.
- Wrote 24 care plans with the nursing process, applying critical thinking to priorities and expected outcomes.
- Delivered patient education on wound care and new medications, using teach-back at every discharge.

Education

Bachelor of Science in Nursing (BSN)

05/2026

University of Minnesota — Minneapolis, MN
