EXPERIENCE

Roofing Laborer

Baker Roofing Company · Jun 2023 - Present · Phoenix, AZ

Entry-level field role assisting journeyman and lead roofers on residential re-roofing projects.

- Assisted installation of asphalt shingles on 30+ residential roofs averaging 2,200 sq ft, contributing to $210,000 in completed project value
- Maintained 100% adherence to OSHA fall-protection protocols across all job sites, earning a zero-incident safety record
- Loaded and staged materials for crews of 4–6, reducing setup time by 15% through organized staging procedures
- Supported foreman in quality checks, identifying 12 flashing defects before final inspection sign-off

Roofing Helper / Yard Associate

ABC Supply Co. · Sep 2022 - May 2023 · Phoenix, AZ

Pulled and prepared roofing materials for contractor accounts and assisted field installation crews.

- Processed and fulfilled roofing material orders for 60+ contractor accounts with 99.2% order accuracy
- Operated forklift to stage bundles of shingles, underlayment, and flashing for daily delivery routes
- Assisted installers on weekend crews completing 15 tear-off and re-roof projects
