Brianna Wells

NEWBORN HEARING SCREENER

Atlanta, GA (404) 555-0171 brianna.wells@email.com linkedin.com/in/briannawells

SUMMARY

Newborn hearing screener with 1 year at a hospital birthing center in Atlanta, screening 250+ newborns a month before discharge. Performs AABR and OAE screening, gives parent education on results and rescreen steps, and reports every result to the state EHDI program in HiTrack. BLS certified and strict about infection control in the nursery.

SKILLS

AABR • OAE Screening • HiTrack • EHDI • Infection Control • Parent Education • Scheduling • BLS Communication

EXPERIENCE

Newborn Hearing Screener 09/2025 - Present

Fulton Regional Women's Hospital Atlanta, GA

Hospital birthing center delivering about 3,600 babies a year.

- Perform AABR and OAE screening on **250+** newborns a month, with 99.5% screened before discharge.
- Counsel parents on results, scheduling outpatient rescreens for 100% of babies who need one.
- Report screening results to the state EHDI program in HiTrack within 24 hours.
- Maintain screening equipment and infection control logs on 2 units, passing 2 hospital quality reviews.

Front Desk Associate 05/2024 - 08/2025

Ponce Pediatrics Atlanta, GA

Pediatric practice with 4 pediatricians.

- Checked in 70+ families a day and confirmed insurance before visits.
- Scheduled 40 well-baby visits a day across 4 pediatricians, keeping same-day sick slots open each morning.
- Answered parent calls with calm, clear communication, routing urgent concerns to triage nurses.
- Updated 30 patient records a day in the EHR, correcting insurance and contact errors before claims were sent.
