Journalism

SUMMARY

News producer with 3 years producing live newscasts in Colorado, now running the 5 p.m. show for a Denver station. Brings strong news judgment, fast writing skills and steady control of the rundown during breaking news. Builds social media versions of each newscast's top stories without being asked.

EXPERIENCE

News Producer 08/2024 - Present

Front Range 9 News — Denver, CO

Producer of the weekday 5 p.m. newscast at a major-market station.

- Produce the 5 p.m. newscast, stacking **60** minutes of live news, weather and sports each weekday.
- Write 25+ scripts, teases and headlines a day in ENPS with clean, conversational copy.
- Run the control room rundown on breaking news, adding live shots and dropping stories on the fly.
- Create social media posts for each top story, lifting the show's Facebook reach 35% in 2025.

Newscast Producer 06/2023 - 07/2024

Pikes Peak 13 News — Colorado Springs, CO

Producer of morning newscasts at a mid-market station.

- Produced **3** hours of live morning news a day, including traffic, weather and community segments.
- Secured 4 live in-studio guests a week for the morning show's community segment.
- Coordinated 2 morning reporters and photographers on live shot locations and timing.

Production Assistant 09/2021 - 05/2023

Flatirons Community Television — Boulder, CO

Part-time production role during college.

- Ran teleprompter and graphics for **150+** live newscasts.
- Shot and edited 20 community stories with a camera kit and Adobe Premiere Pro.
- Logged raw footage and wrote shot notes for 3 reporters each week.
