Summary

Operating Room Assistant with 18 months in a 16-room hospital surgical department, handling room turnover, patient transport and case cart preparation for 40+ cases a day. Follows aseptic technique and infection control rules, tracks supplies in web-based applications, holds CNA and BLS, and is taking surgical technology prerequisites.

Experience

Operating Room Assistant

04/2025 - Present

Desert Valley Regional Hospital Phoenix, AZ

16-room surgical department handling 40+ cases a day.

- Complete 12 to 15 room turnovers per shift with the OR team, meeting the 20-minute goal **92%** of the time.
- Coordinate about 25 patient transports a shift between pre-op, the OR and PACU, confirming ID bands and charts each time.
- Assemble case carts from surgeon preference cards for next-day cases, with 98% complete at first pick.
- Track supply levels for 16 rooms in the web-based inventory system, cutting stockouts of common items by 30%.

Patient Transporter

06/2023 - 03/2025

Camelback Medical Center Scottsdale, AZ

Transport team for a 300-bed hospital.

- Moved 30+ patients a shift by wheelchair and stretcher to imaging, surgery and discharge using safe transfer methods.
- Logged every transport in the dispatch app, keeping average response time under **9** minutes.
- Applied infection control and isolation precautions on 5 to 8 isolation transports a day, including gowning and cart wipe-downs.
- Trained 4 new transporters on safe lifting, patient ID checks and clear handoff communication.
