Organic Farming Certification

### SUMMARY

Dedicated and experienced Organic Farmworker with a strong background in sustainable agriculture and soil science. Proven track record of increasing crop yields and reducing waste through effective irrigation systems and composting programs.

### EXPERIENCE

Organic Farmworker Jun 2020 - Aug 2022

Green Earth Organic Farm Asheville, North Carolina

Organic Farmworker

- Managed a 10-acre organic farm, resulting in a 25% increase in crop yield within the first year
- Developed and implemented effective irrigation systems, reducing water consumption by 30%
- Coordinated with a team of 5 farmworkers to plant, maintain, and harvest a diverse range of organic crops
- Conducted soil tests and implemented fertilizer applications, resulting in a 15% increase in soil fertility

Farmhand Mar 2019 - May 2020

Sunny Meadows Farm Chapel Hill, North Carolina

Farmhand

- Assisted with daily farm tasks, including planting, weeding, and harvesting
- Operated farm equipment, such as tractors and plows, to maintain farm efficiency
- Assisted with farm marketing and sales, resulting in a 20% increase in customer engagement

### PROJECTS

Composting Program Jan 2020 - Mar 2020

Project Lead

Developed and implemented a composting program, resulting in a 40% reduction in waste

Composting • Sustainability
