Daniel Okafor

Orthodontist

Atlanta, GA (404) 555-0185 daniel.okafor@email.com linkedin.com/in/danielokaforortho

SUMMARY

Orthodontist with 8 years of specialty practice in metro Atlanta, managing about 1,100 active cases at a time. Treats children and adults with fixed appliances, clear aligner therapy and early interceptive care, planned from cephalometric analysis and digital scans. Relationship-building skills with referring dentists and parents drive 40+ new starts a month.

EXPERIENCE

Orthodontist

08/2020 - Present

Peachtree Orthodontic Partners — Atlanta, GA

Three-office orthodontic group with 4 orthodontists and 30 clinical staff.

- Manage **1,100** active cases, starting 40+ new patients a month across braces and clear aligner therapy.
- Plan treatment from cephalometric analysis, intraoral scans and CBCT, finishing 85% of cases within the estimated time.
- Grew Invisalign starts from 20% to 45% of adult cases by offering virtual progress checks.
- Build referral ties by visiting 35 general dentists each quarter, raising referral volume by 30% in 3 years.
- Train 12 orthodontic assistants on bonding, wire changes and OSHA infection control steps.

Associate Orthodontist

07/2018 - 07/2020

Gwinnett Family Orthodontics — Lawrenceville, GA

Single-office practice focused on children and teens.

- Treated 60 patients a day on adjustment days, including phase I expanders and full fixed appliances.
- Moved the office to digital scanning, cutting impression retakes by 70% and freeing 6 chair hours a week.
- Held new-patient consults with a 68% start rate by walking families through options and payment plans.
