EXPERIENCE

OSINT Analyst

05/2023 - Present

Dulles Ridge Intelligence

Reston, VA

Contractor providing OSINT analysts to federal intelligence and security customers.

- Collect and verify OSINT on 3 regional conflicts with Babel X, publishing **25** sourced reports a quarter.
- Operate safely in Silo managed-attribution sessions, keeping 100% of research accounts unattributed.
- Pinpoint the place and date of 150 videos and photos a year through geolocation for military activity reports.
- Partner with SIGINT and HUMINT teams, adding open-source context to 40 joint assessments.

Threat Intelligence Analyst

07/2021 - 04/2023

Blue Ridge Risk Advisory

Arlington, VA

Corporate security firm protecting executives and facilities for 30 clients.

- Monitored social media and forums for threats to 30 client executives, escalating 18 credible cases.
- Wrote daily intelligence analysis digests on protests, unrest and travel risk for 12 countries.
- Built link charts of 9 online harassment networks for client legal teams.
- Reduced alert noise 35% by tuning keyword and location filters.

Research Associate

07/2020 - 06/2021

Capitol Area Security Forum

Washington, DC

Nonprofit research group on European security.

- Tracked Russian-language media and social channels for 4 senior analysts, translating key passages each day.
- Compiled a sourced database of 500 open-source military incidents along NATO's eastern flank.
- Drafted sections of 3 published research briefs on drone use and information operations.
