SUMMARY

Part-time tutor with 3 years of one-on-one and small-group math tutoring for elementary through high school students, studying mathematics at the University of Pittsburgh. Students gain an average of 9 points on algebra and geometry unit tests, and parents get a short written progress note after every session.

EXPERIENCE

Part-Time Tutor 08/2024 - Present

Three Rivers Learning Center — Pittsburgh, PA

Tutoring center serving 200 K-12 students; 15 hours a week, afternoons and Saturdays.

- Teach algebra, geometry and precalculus to **14** weekly students in one-on-one sessions and groups of 3.
- Plan 60-minute sessions from each student's diagnostic test, with lesson planning aimed at 2 weak skills at a time.
- Coach 6 juniors in SAT math prep; their math section scores rose an average of 70 points over 10 weeks.
- Write progress notes for parents after each session and use communication skills in monthly goal-setting meetings.

After-School Tutor 09/2023 - 07/2024

Shadyside Homework Club — Pittsburgh, PA

Neighborhood after-school program; part-time paid tutor 8 hours a week.

- Guided 10-12 elementary students a day through math and reading homework, with tutoring in small groups by grade.
- Ran Zoom review sessions for 5 students over winter break and posted practice sets in Google Classroom.
- Raised on-time homework completion for a 4th-grade group from 60% to 85% with a weekly sticker chart.
