

Marcus Webb

Pathologist Assistant

 Nashville, TN  (615) 555-0112  marcus.webb@email.com  linkedin.com/in/marcuswebb

SUMMARY Pathologist Assistant, PA(ASCP), with 8 years in surgical pathology at academic and community hospitals, grossing complex oncologic resections and supporting frozen sections and autopsies. Applies human anatomy and medical terminology to dissection, photography and dictation, and trains residents and grossing staff. Presents findings clearly to pathologists and surgeons.

EDUCATION **Master of Science** 05/2018
Rosalind Franklin University of Medicine and Science North Chicago, IL
Pathologists' Assistant

EXPERIENCE **Pathologist Assistant** 07/2021 - Present
Harpeth Valley University Hospital Nashville, TN
Surgical pathology service at a 700-bed academic hospital, 55,000 cases a year.

- Examine and gross **40+** surgical cases a day, including Whipple, colectomy, mastectomy and head and neck resections.
- Cut frozen sections for 12 intraoperative consults a day and deliver slides to the pathologist within 20 minutes.
- Perform 5-8 hospital autopsies a month, from evisceration through organ block dissection and documentation.
- Train 10 pathology residents a year on grossing protocols, margin inking and CAP synoptic sampling.
- Resolve specimen tracking errors in the laboratory information systems with histology and IT staff.

Pathologist Assistant 08/2018 - 06/2021
Bluff City Regional Medical Center Memphis, TN
Surgical pathology lab for a 450-bed regional hospital.

- Grossed 30 surgical cases a day across GI, GYN, breast and orthopedic specialties.
- Photographed gross specimens and dictated descriptions in the LIS for same-day slide processing.
- Shortened turnaround for large resections from 3 days to 2 by reordering fixation and submission steps.
- Supervised 2 grossing technicians on small biopsy work and signed off on their competency checks.
