EXPERIENCE

Pharmacist in Charge 03/2022 - Present

Bluegrass Community Pharmacy Louisville, KY

Full-service neighborhood pharmacy with non-sterile compounding and long-term care accounts.

- Lead 2 staff pharmacists and 5 technicians filling about **1,600** prescriptions a week under the store permit.
- Run inventory control with weekly cycle counts and wholesaler reviews, cutting shrink from 1.4% to 0.5% of sales.
- Maintain DEA and Kentucky Board of Pharmacy records, passing 3 board inspections and 1 DEA audit with no findings.
- Check KASPER reports before filling controlled substances, cutting early-refill dispensing by 30%.

Staff Pharmacist 06/2019 - 02/2022

Ohio River Drug Jeffersonville, IN

Staff pharmacist at a community pharmacy filling 1,200 prescriptions a week.

- Counseled **30+** patients a shift on new prescriptions, side effects and OTC interactions.
- Administered 900 vaccines a season, including flu, COVID-19 and pneumococcal doses.
- Resolved 15+ prescriber and insurance problems a day so medication management stayed on schedule.

Pharmacy Intern 06/2016 - 05/2019

Derby City Pharmacy Louisville, KY

Part-time internship at an independent pharmacy during pharmacy school.

- Handled patient counseling on OTC products for **20+** customers a shift under pharmacist supervision.
- Compounded topical and oral liquid preparations from written formulas and logged each batch.
- Screened 60+ prescriptions a shift for drug interactions before pharmacist verification.
