Omar Haddad

Pharmacy Supervisor

Pharmacy supervisor with 7 years in hospital pharmacy, now supervising day-shift pharmacy operations for a 430-bed Detroit hospital with 11 pharmacists and 18 technicians. Strong project management skills, with tools built in Excel and PowerPoint for staffing, inventory and quality reports. Keeps work flowing between pharmacy, nursing and supply chain.

Experience

Pharmacy Supervisor

Riverfront Medical Center • Detroit, MI • 05/2023 - Present

Supervise inpatient pharmacy day-shift operations at a 430-bed teaching hospital.

- Manage staffing for 11 pharmacists and 18 technicians, cutting overtime hours by **27%** in one year.
- Track first-dose turnaround in an Excel dashboard, bringing the median from 48 to 29 minutes.
- Lead the project plan for a dispensing cabinet refresh across 31 units, finished 2 weeks early.
- Present monthly quality and medication error reports to nursing leaders in PowerPoint.

Staff Pharmacist

Wayne County Community Hospital • Dearborn, MI

06/2019 - 04/2023

Inpatient and IV room pharmacist at a 280-bed hospital.

- Verified **250+** orders a shift and served as charge pharmacist on 2 evening shifts a week.
- Wrote 12 IV room procedures in Word to meet USP 797 rules ahead of a state board inspection.
- Coordinated controlled substances reviews with nursing, resolving 95% of cabinet discrepancies within 24 hours.

Pharmacy Intern

Lakeshore Hospital Pharmacy • Ann Arbor, MI • 05/2017 - 05/2019

Part-time hospital internship during pharmacy school.

- Completed **40** medication histories a week for the emergency department pharmacist.
- Organized 2 drug shortage substitution guides in Word and sent them to unit managers through Outlook.
- Prepared 30+ IV admixtures a shift in the cleanroom under pharmacist checks.
