> EXPERIENCE

Pharmacy Technician I 04/2025 - Present

Bayou City General Hospital Houston, TX

300-bed acute care hospital; rotate between the central pharmacy and the IV room.

- Produce **60+** IV piggybacks and syringes per shift in the cleanroom using aseptic technique under USP 797.
- Supply 22 automated dispensing cabinets on 4 nursing units each day, cutting stock-out calls by 25%.
- Perform mathematical calculations for dilutions and infusion volumes and log each one for pharmacist verification.
- Track 1,200 line items for inventory management in Excel and pull short-dated drugs 90 days before expiry.
- Deliver first doses and stat orders to the emergency department within 20 minutes of verification.

Pharmacy Technician Trainee 07/2024 - 03/2025

Gulf Coast Community Pharmacy Houston, TX

Independent retail pharmacy filling about 250 prescriptions a day.

- Filled **150** prescriptions per shift for pharmacist review while studying for the PTCB exam.
- Entered insurance details and fixed rejected claims for about 30 patients a day.
- Provided customer service at the pickup and drive-through windows for 200+ patients per shift.
