Natalie Brennan

PHYSICIAN ASSISTANT

Sacramento, CA (916) 555-0142 natalie.brennan@email.com linkedin.com/in/nataliebrennanpa

SUMMARY

NCCPA-certified physician assistant with 4 years in internal medicine and hospital medicine, licensed in California with DEA registration. Sees 22 patients a day for acute and chronic problems, relying on careful clinical assessment, diagnostic test interpretation and patient counseling. Works closely with collaborating physicians and keeps EMR documentation complete by the end of each day.

SKILLS

Clinical Assessment • Physical Exams • Diagnostic Test Interpretation • Chronic Disease Management • Counseling
EMR Documentation • Epic • Medication Reconciliation • Clinical Judgment • Interpersonal Skills

EXPERIENCE

Physician Assistant 08/2023 - Present
Capitol Valley Medical Group Sacramento, CA

Multi-specialty group; internal medicine clinic with 6 physicians and 4 physician assistants.

- See **22** adult patients a day for acute visits, annual exams and chronic condition follow-ups.
- Perform physical exams and take detailed histories, presenting complex cases to the collaborating physician.
- Interpret labs, ECGs and imaging and adjust treatment plans, closing 95% of result notes within 48 hours.
- Manage chronic disease management for a 900-patient panel, lifting A1c control below 8% from 61% to 72%.
- Counsel patients and families on new medications and preventive care, averaging 4.8/5 on patient surveys.

Hospitalist Physician Assistant 09/2022 - 07/2023
River City Regional Hospital Sacramento, CA

Adult hospital medicine service at a 320-bed community hospital.

- Admitted and followed **12-14** inpatients a day alongside the attending hospitalist.
- Ordered and reviewed labs and imaging, finishing daily progress notes in Epic before noon.
- Completed about 8 discharges a day, including medication reconciliation and follow-up booking.
- Called rapid responses on deteriorating patients and stabilized them until the ICU team arrived.
