Tyler Brooks

Plumbing Apprentice

Columbus, OH · (614) 555-0139 · tyler.brooks@email.com · linkedin.com/in/tylerbrooks

SUMMARY

Second-year Plumbing Apprentice with 16 months on residential service and new-construction crews in central Ohio and 2,100 supervised hours. Installs PEX and PVC supply and drain lines, sets fixtures, and keeps the truck stocked and job sites clean. Holds a valid driver license with a clean record and brings attention to detail to every fitting.

EXPERIENCE

Plumbing Apprentice

06/2025 - Present

Buckeye Pipe & Drain — Columbus, OH

Residential plumbing contractor with 14 service trucks and 3 new-construction crews in Franklin County.

- Installed PEX and PVC supply, drain and vent lines on **22** new homes alongside a licensed journeyman plumber.
- Handled fixture installation on 60 service calls, setting toilets, sinks and tub valves and checking every joint for leaks.
- Cut and threaded steel gas pipe and handled copper soldering on 15 repipe jobs with hand and power tools.
- Completed 144 hours of evening classroom training in plumbing systems, Ohio plumbing code, trade math and blueprint reading.

Warehouse Associate

06/2023 - 05/2025

Scioto Building Supply — Grove City, OH

Plumbing and HVAC supply house serving 400 contractor accounts.

- Pulled and staged **80** contractor orders a day for pipe, fittings, valves and water heaters before the morning rush.
- Provided customer service at the will-call counter, matching plumbers with the right PVC, PEX and copper fittings by size.
- Operated a forklift to load 15 delivery trucks each morning and finished 2 years with no damage claims.
- Counted bin stock during 2 annual inventories at 99% accuracy and flagged mislabeled fittings to the purchasing manager.
