EXPERIENCE

Plumbing Foreman 02/2021 - Present
Silver State Mechanical Las Vegas, NV
Commercial mechanical contractor with 400 field employees on resort and healthcare projects.

- Run a crew of up to **18** plumbers on a 1,100-room hotel tower and a 6-story hospital addition.
- Built 3-week lookahead schedules and material takeoffs, finishing both projects within 2% of the labor budget.
- Coordinated sleeves and routing with 5 trades in weekly BIM meetings, cutting field clashes by 60%.
- Review installations against plumbing codes before inspections, keeping first-time pass rates at 96%.

Journeyman Plumber 05/2016 - 01/2021
Desert Sun Plumbing Henderson, NV
Commercial plumbing contractor for retail centers, schools and multifamily housing.

- Installed cast iron, copper and PVC systems on **20** commercial projects across the Las Vegas valley.
- Led 4-person crews on 2 school campuses, hitting every inspection milestone on the general contractor's schedule.
- Trained 8 apprentices on layout, pipe sizing, quality control checks and safe use of power tools.
- Organized tool and material trailers with a sign-out log, reducing lost-tool costs by $6,000 a year.

Apprentice Plumber 06/2013 - 04/2016
Valley Plumbing Contractors Las Vegas, NV
Residential and commercial plumbing contractor.

- Installed underground and rough-in piping in **200** townhomes and 3 retail buildings.
- Carried out pressure tests on rough-ins under journeyman supervision.
- Completed 4 years of related classroom instruction in plumbing systems and code.
