Primary Care Nurse Practitioner

jennifer.whitlock@email.com (614) 555-0129 Columbus, OH linkedin.com/in/jenniferwhitlocknp

SUMMARY

Primary care nurse practitioner with 5 years of experience managing adult and older adult panels in outpatient clinics. Strong in chronic disease management, clinical assessment and medication management for patients with diabetes, COPD and heart failure. Known for compassionate care, steady clinical judgment and complete notes in Epic.

EXPERIENCE

Primary Care Nurse Practitioner

02/2023 - Present

Scioto Primary Care Associates — Columbus, OH

Adult primary care group with 9 providers and 18,000 active patients.

- Manage a panel of **1,250** adults, seeing 20 patients a day for chronic care and annual wellness visits.
- Lead the clinic's diabetes program for 210 patients; the share with A1c under 8 rose from 58% to 74%.
- Complete medication reconciliation at every visit, cutting duplicate or risky prescriptions for adults over 65 by 30%.
- Coordinate with cardiology and behavioral health on shared care plans for 40 high-risk patients each month.

Nurse Practitioner

08/2021 - 01/2023

Franklin Heights Community Health — Columbus, OH

Community health center serving uninsured and Medicaid patients.

- Provided primary care to 18 patients per day, including hypertension, COPD and depression follow-ups.
- Ordered and interpreted labs and spirometry, documenting results and plans in Epic the same day.
- Started a same-day sick visit block that cut emergency department referrals by 15% in 6 months.

Registered Nurse

06/2016 - 07/2021

Riverside Heights Hospital — Columbus, OH

Cardiac step-down unit.

- Cared for 4-5 telemetry patients per shift and taught heart failure self-care before discharge.
- Served as charge nurse on 2 shifts per week for a 24-bed unit.
- Reduced 30-day heart failure readmissions on the unit by 12% with discharge phone calls within 48 hours.
