

Tyler Haugen

Production Associate

Production Associate with 1 year building office furniture on an assembly line, plus 2 years of part-time retail stock work through high school. Reads a tape measure and work orders accurately, uses basic math to check cut lists, and has kept a perfect attendance record at the plant since the first day.

Experience

Production Associate

Kent County Office Interiors • Grand Rapids, MI

09/2025 - Present

Assemble desks, panels and storage units on a 2-shift line for commercial furniture dealers.

- Assembled **45** desk frames per shift with power tools and hand tools, meeting the line rate every week since training.
- Measured panels with a tape measure against work orders, catching 30+ mis-cut parts before they reached final assembly.
- Packed and labeled units for 8 dealer routes, using basic math to match carton counts to the bill of lading.
- Sorted and reset the work station at every shift end, earning a 100% score on 4 straight monthly 5S audits.

Stock Associate

Westside Hardware & Supply • Walker, MI • 06/2023 - 08/2025

Part-time evening and weekend work at a neighborhood hardware store.

- Unloaded 2 freight trucks a week and shelved 400+ items per delivery by aisle and bin before opening.
- Cut rope, chain and lumber to customer length with a tape measure, serving about 30 customers per shift.
- Counted paint and fastener aisles for quarterly inventory with the manager, finding \$1,200 in miscounted stock.
- Built seasonal displays from plan drawings, setting up 6 displays a year with the store manager.
