CERTIFICATES

AWS Certified Welding Inspector (CWI)

American Welding Society • 05/2021

OSHA 30-Hour General Industry

OSHA Outreach Training Program
01/2020

SUMMARY

Production Superintendent with 10 years in structural steel fabrication, 6 of them in supervisory roles over shops of up to 85 craftsmen. Runs 2 shifts across fitting, welding and paint, schedules jobs in the ERP system and reports in Excel and PowerPoint. Raised shop output from 34 to 46 tons a day while cutting the injury rate.

EXPERIENCE

Production Superintendent

Magic City Steel Fabricators • Birmingham, AL

04/2022 - Present

Structural steel fabricator for commercial and industrial projects, 140 employees.

- Direct **85** fitters, welders and painters across 2 shifts and 3 bays through 4 supervisors.
- Raised output from 34 to 46 tons a day by resequencing jobs in ERP systems and adding a saw line.
- Cut the injury rate from 4.1 to 1.6 with daily safety walks, crane safety training and hot-work permits.
- Plan production scheduling with project managers and detailing, shipping 92% of loads on the promised date.

Production Supervisor

Red Mountain Steel Works • Bessemer, AL • 03/2020 - 03/2022

Steel fabricator building beams, columns and trusses for 60 jobs a year.

- Supervised **30** fitters and welders on first shift through rush jobs and multiple priorities.
- Lowered ultrasonic weld rejects from 3% to 1.2% through welding inspection and welder requalification.
- Built shift plans and material pull lists with Microsoft Office tools and sent daily updates in Outlook.
- Checked 100+ shop drawings a month with blueprint reading before release to fitting.

Welding Lead

Red Mountain Steel Works • Bessemer, AL • 08/2016 - 02/2020

Shop welder promoted to lead after 18 months.

- Led a **6**-person welding crew on beams and moment connections.
- Qualified 9 welders to AWS D1.1 procedures with the quality manager.
- Fabricated 15-20 tons of steel a week as fitter and welder to project tolerances.

EDUCATION

Associate of Applied Science

Lawson State Community College • Birmingham, AL • 05/2016
Welding Technology
