Nathan Okoye

Psychometrist

Psychometrist with 2 years of test administration and test scoring for adults in an outpatient memory and neurology clinic. Tests 8 to 10 patients a week, records behavioral observations with attention to detail and uses strong organizational skills to keep schedules and records ready for 3 neuropsychologists.

Experience

Psychometrist

Cumberland Neurology and Memory Center • Nashville, TN

06/2024 - Present

Outpatient neuropsychology service with 3 neuropsychologists.

- Administer **8-10** standardized neuropsychological testing batteries a week, including the WAIS-IV, WMS-IV and Trail Making Test.
- Maintain scoring accuracy on every protocol, keeping errors below 1% on quarterly supervisor audits.
- Write behavioral observation notes for each session that neuropsychologists use in final reports.
- Reorganize testing days for 3 providers with the front desk, cutting patient wait times from 10 to 6 weeks.

Clinical Research Assistant

Harpeth Clinical Research Group • Franklin, TN

01/2023 - 05/2024

Clinical trials site running memory and mood studies.

- Completed cognitive screening with the MoCA for **150** study participants using standardized scripts.
- Entered visit data into the trial database within 24 hours, with 99% accuracy on monitor reviews.
- Prepared consent packets and source documents for 4 active dementia and depression trials.
- Organized participant visit calendars and reminder calls, reducing missed visits by 20% in one year.
