Nathan Pryor

Public Health Educator

Public health educator with 3 years at a regional health agency planning health education campaigns on vaccines, tobacco and heat safety. Writes plain-language materials, teaches community workshops and measures reach through survey design and program evaluation. Holds an MPH and CHES certification and presents comfortably to schools and community groups.

EXPERIENCE

Public Health Educator

07/2023 - Present

Capitol Region Public Health District — Sacramento, CA

Regional public health agency serving 1.6 million residents.

- Plan community outreach on flu and COVID-19 vaccines, reaching **4,200** residents at 60 events in 2025.
- Write fact sheets and social media posts in English and Spanish, about 30 pieces a quarter.
- Teach tobacco and vaping prevention lessons to 1,500 high school students each school year.
- Measure program reach with surveys and Microsoft Excel dashboards for quarterly reports to state grant managers.

Health Promotion Intern

09/2022 - 05/2023

Delta Community Clinics — Woodland, CA

Part-time MPH practicum at a farmworker health clinic network.

- Developed a 4-session heat safety curriculum for farmworkers and taught it to 180 participants.
- Ran pre- and post-tests that showed a 35% gain in heat illness knowledge.
- Designed bilingual posters in Canva for 8 clinic waiting rooms.
- Presented findings to clinic leadership, who adopted the curriculum at all 5 sites.
