EXPERIENCE

Public Works Maintenance Worker

05/2022 - Present

Wake Valley Public Works Authority — Raleigh, NC

Crew member in the streets and utilities division serving 48,000 residents.

- Repair 60 water main breaks and service leaks a year, from excavation to pressure test and backfill.
- Run the jet-vac truck on sanitary and storm lines, clearing about 4 miles of sewer pipe a month.
- Replace curb, gutter and sidewalk panels, pouring about 1,500 sq ft of concrete each season.
- Complete work orders in the asset system, finishing 95% within the target window.

Grounds and Utility Worker

01/2021 - 04/2022

Triangle Grounds & Utility Services — Durham, NC

Crew member for a contractor maintaining parks, rights-of-way and storm drains for 3 towns.

- Mowed and trimmed 25 parks and rights-of-way on a weekly route with zero-turn mowers.
- Cleared 200 storm drain inlets each quarter, cutting street flooding complaints on the route.
- Repaired irrigation lines, benches and playground parts, closing about 30 work orders a month.
- Handled small engine repair on mowers, blowers and trimmers, keeping 90% of equipment in service.
