Summary

Rehab technician with 3 years of hands-on patient care, including 1.5 years on a 28-bed inpatient rehab unit. Handles patient transfers, mobility assistance and vital signs for physical and occupational therapists, documents in Epic and keeps therapy gyms safe and ready for 45 sessions a day.

Experience

Rehab Technician 04/2025 - Present

Piedmont Crescent Medical Center Charlotte, NC

Acute inpatient rehabilitation unit, 28 beds, stroke and orthopedic patients.

- Complete patient transfers for **20** patients a shift with gait belts, slide boards and mechanical lifts.
- Measure vital signs before and after therapy and report changes to the therapist or nurse right away.
- Arrange the gym for 45 sessions a day, including wheelchair positioning, mats and parallel bars.
- Document mobility assistance and session times in Epic for 3 therapists, with no late entries last quarter.

Certified Nursing Assistant 06/2023 - 03/2025

Sugar Creek Health & Rehab Charlotte, NC

120-bed skilled nursing and short-term rehab facility.

- Provided daily living care to **12** residents a shift, including bathing, dressing and feeding.
- Repositioned bed-bound residents every 2 hours, with no new pressure injuries on the hall in 6 months.
- Walked residents to therapy and practiced the transfer and ambulation steps their therapists set.
- Charted intake, output and vital signs in the EHR and passed changes to the charge nurse.
