

Caleb Foster

RESPIRATORY CARE ASSISTANT

Sacramento, CA (916) 555-0186 caleb.foster@email.com linkedin.com/in/calebfoster

SUMMARY

Respiratory Care Assistant with 14 months supporting a 22-therapist respiratory department at a 400-bed hospital, after 2 years as an EMT. Sets up and disinfects ventilators, BiPAP units and oxygen equipment, delivers aerosol therapy under protocol, and keeps supplies stocked for 3 shifts. Enrolled in the respiratory care program at American River College.

SKILLS

Other Skills: Aerosol Therapy, Oxygen Therapy, BiPAP, CPAP, Mechanical Ventilators, Airway Management, Quality Control, Infection Control, CPR, Patient Care Documentation

EXPERIENCE

Respiratory Care Assistant 08/2025 - Present
Sierra Vista Medical Center Sacramento, CA

Acute care hospital with 400 beds, a level II trauma center and a 22-therapist respiratory care department.

- Delivered aerosol therapy and oxygen therapy setups to **30** stable floor patients a shift under therapist protocols.
- Disinfected 45 ventilators, BiPAP and CPAP units a week per infection control policy, logging quality control checks.
- Tracked oxygen cylinders and supply par levels across 9 units, ending weekend stock-outs within 2 months.
- Transported 12 patients on mechanical ventilators a week to CT and MRI with a therapist, managing portable oxygen.

Emergency Medical Technician 06/2023 - 07/2025
Capitol City Ambulance Sacramento, CA

Private ambulance service running 40 basic and advanced life support units across Sacramento County.

- Responded to **1,600** 911 and interfacility calls, assessing breathing, oxygen saturation and airway status on scene.
- Provided oxygen therapy, nebulizer treatments and basic airway management for patients in respiratory distress.
- Performed CPR on 14 cardiac arrest patients as part of 2-person crews working alongside paramedic teams.
- Documented patient care reports in the electronic system with 98% completeness on monthly quality audits.
