SUMMARY

Restoration crew chief with 8 years in water mitigation, fire and smoke restoration and light construction around metro Atlanta, IICRC WRT, ASD and FSRT certified. Supervises 2 crews of 3 technicians, runs job sites from first call to final walk-through and holds a clean Georgia driver's license for company vehicles.

SKILLS

Water Mitigation • Fire and Smoke Restoration • Mold Remediation • Structural Drying • Construction Job Scheduling • Containment • Customer Service Skills • Communication

EXPERIENCE

Restoration Crew Chief 06/2022 - Present
Peachtree Restoration Services Atlanta, GA
Full-service restoration and rebuild company with 30 field staff.

- Lead **2** crews of 3 technicians on 300+ water, fire and mold jobs a year.
- Plan daily job scheduling and routes for 4 trucks, cutting crew overtime 18% in 2025.
- Check structural drying setups and readings each morning, closing 92% of jobs within 4 days.
- Review scope and timelines with homeowners on day 1, raising review scores from 4.5 to 4.8.

Restoration Technician 03/2019 - 05/2022
Chattahoochee Fire and Water Marietta, GA
Restoration company serving Cobb and Cherokee counties.

- Performed water mitigation on **200** losses a year, including Category 3 sewage jobs.
- Cleaned soot and deodorized 40 homes a year as part of fire and smoke restoration.
- Serviced 60 air movers, 20 dehumidifiers and 6 truck-mounts on a weekly schedule.
- Set containment on 25 mold remediation jobs and passed every clearance test.

Construction Laborer 07/2018 - 02/2019
Gwinnett Home Builders Lawrenceville, GA
Residential builder completing about 40 new homes a year.

- Framed walls and hung drywall on **12** new homes with a 6-person construction crew.
- Read plans and cut lumber to spec, keeping material waste under 5%.
- Secured materials on 2 crew trucks each morning and broke down sites at day's end.
