SUMMARY

Restorative aide and certified nursing assistant with 3 years in long-term care, now running restorative programs for 22 residents a day. Leads range of motion exercises, ambulation programs and ADL training, applies splints on schedule and charts in PointClickCare with the patience residents need.

EXPERIENCE

Restorative Aide 05/2025 - Present

Lakefront Health and Rehabilitation Milwaukee, WI

180-bed long-term care and rehabilitation facility.

- Lead restorative nursing programs for **22** residents a day, including ambulation and range of motion exercises.
- Apply splints and braces on schedule for 9 residents and check their skin for redness each time.
- Chart restorative minutes and resident responses in PointClickCare by the end of every shift.
- Report declines in ADL function to the restorative nurse, leading to 6 therapy re-screens last quarter.

Certified Nursing Assistant 07/2023 - 04/2025

Bay View Senior Care Milwaukee, WI

120-bed skilled nursing facility.

- Cared for **11** residents a shift with bathing, dressing, toileting and meal support.
- Completed 15+ patient transfers a shift with gait belts and mechanical lifts under facility safety rules.
- Measured vital signs and weights for 30 residents each week and charted changes for the nurse.
- Practiced ADL training with residents during morning care, as set by the therapy team.
