SUMMARY

Roofer with 5 years of residential and light commercial roofing in the Denver metro, from tear-off and shingle installation to TPO, EPDM and PVC membranes. Performs roof inspections after hail storms, writes up repair needs, and follows OSHA rules on every pitch. Holds a valid Colorado driver license and works outdoors in all seasons.

EXPERIENCE

Roofer
03/2023 - Present

Front Range Roofing & Exteriors
Aurora, CO

Residential and light commercial roofing contractor running 9 crews across the Denver metro.

- Complete shingle installation, underlayment and drip edge on **140** hail-damaged homes, averaging 28 squares per house.
- Install heat-welded TPO and PVC membrane on 18 flat-roof additions and garages with zero leak callbacks in the first year.
- Perform roof inspections after storms and document repair or replacement needs with photos for 3 estimators.
- Coordinate daily progress updates with homeowners, using customer service that keeps crew reviews at 4.8 stars over 210 jobs.

Roofer Helper
06/2021 - 02/2023

Mile High Shingle Co.
Lakewood, CO

Reroof contractor completing 12 to 15 residential roofs a week.

- Handled tear-off on 3 to 4 roofs a week and loaded debris into 20-yard dumpsters before noon.
- Replaced 1,200 square feet of rotted decking and laid ice-and-water shield along eaves and valleys.
- Patched EPDM seams on 25 low-slope porch roofs using primer, seam tape and lap sealant.
- Installed step flashing and counter-flashing at walls and chimneys with attention to detail on every course.

Construction Laborer
06/2020 - 05/2021

Cherry Creek Builders
Denver, CO

Residential general contractor building custom homes and additions.

- Carried lumber, sheathing and roofing bundles on 8 new homes using hand and power tools for cuts.
- Set up ladders, guardrails and roof jacks each morning with no recordable injuries in 12 months.
- Organized the job site trailer and tracked delivered materials against 8 purchase orders.
