Summary

Skid steer operator with 1.5 years running skid steers and compact track loaders, plus 2 seasons on a landscape install crew. Grades, trenches and moves material on tight residential lots without damage to finished work. Reliable and on time for 6 a.m. starts, with a strong work ethic and good teamwork with installers.

Experience

Skid Steer Operator

Treasure Valley Hardscapes — Boise, ID — 03/2025 - Present

Run machines for a landscape and hardscape contractor building patios, walls and yards.

- Operate a skid steer and compact track loader on **60+** residential patio, wall and yard jobs a year.
- Grade paver base gravel to a 1/2-inch tolerance using a laser level and a land plane attachment.
- Spread 15 to 25 tons of topsoil, rock and mulch a day while protecting lawns, fences and sprinklers.
- Maintain 3 machines with daily greasing, track checks and attachment swaps, and record hours for the shop.

Landscape Laborer

Foothills Lawn & Garden — Meridian, ID — 04/2023 - 02/2025

Seasonal crew member on new-home landscape installs.

- Installed sod, sprinklers and drip lines on 40+ new-home yards each season with a 3-person crew.
- Cut irrigation trenches with a walk-behind trencher and backfilled them by hand to grade.
- Moved pallets of stone and soil with a mini skid steer, earning sign-off to run it after 2 months.
- Completed end-of-day site cleanup so homeowners and builders found finished yards free of debris.
