> EXPERIENCE

Skilled Laborer 05/2024 - Present

Smoky Ridge Construction Knoxville, TN

Skilled laborer for a residential and light commercial builder running 4 crews.

- Set and strip forms for footings and slabs, with about **15,000** sq ft of concrete forming poured this year.
- Build interior wall framing and handle drywall hanging from blueprint layouts on 2 tenant build-outs finished early.
- Operate a skid steer to grade pads and move stone, saving the crew roughly 10 labor hours a week.
- Check form elevations with a laser level before each pour, holding slabs within 1/4 inch of grade.

Masonry Laborer 08/2022 - 04/2024

Volunteer State Masonry Maryville, TN

Laborer for a masonry subcontractor on school and retail projects.

- Mixed mortar and staged block for 4 masons, keeping each one supplied with 600 block a day.
- Built and moved scaffolding up to 30 feet, passing every daily competent-person inspection.
- Cut block and brick to size with masonry saws, grinders and other hand and power tools.
- Hauled debris and kept walkways clear, part of a crew with zero lost-time injuries over 20 months.
